ASSET MANAGEMENT

# PROGRAM

**Andreas Schaffner**  
co-anchor

**Elsa Floret**  
co-anchor

Investors are all aware of the climate emergency and the opportunities offered by the ecological revolution, but how to find its way among the jungle of new ESG standards, all the investment approaches, indices and providers available? What are the sustainable opportunities in Europe? Are institutionals ready to commit to being Net Zero in 2050? Many other questions will be answered during this unique event.
